Frequently Asked Questions (FAQs)

1. 1. Why is BeyondTrust making this decision?

This single point solution is no longer a strategic part to the BeyondTrust portfolio as a leader in the Privileged Access Management (PAM) space.

2. What do I need to do now?

It is advisable that customers renew or extend maintenance till December 31, 2020 to ensure access to support.

3. What if I don't do anything?

BeyondTrust licenses are perpetual, and existing environments will continue to operate beyond the end of support period. However, it is important to note that BeyondTrust will not provide support or maintenance for any BeyondTrust products operating after the end of life date.

4. Whom do I contact with questions?

Please contact your sales representative or sales@beyondtrust.com for any questions
