

## Samsung Android Customer Client 2.2.6 Release Notes

May 22, 2015

### Issues Resolved:

- Resolved an issue where some chat messages were only delivered in English regardless of the selected desired language

### Requirements:

The Bomgar Samsung Android Customer Client works with:

- Samsung Android phones and tablets running Android 4.0.3 or greater.
- The device must be set to use the specific desired language and the site set to support languages.
- Existing installations of Bomgar Remote Support versions 13.1.1 or greater. Must be on 15.1.1+ for full language support.
- Support sites with a trusted CA-signed certificate on the appliance.

### Notes:

- The Bomgar Samsung Android Customer Client is available for download in Google Play.
